We've paid well up into four figures for bulls that we do not consider any better. His sire was the top of the Chicago International sale when we purchased him and had sired winning carloads at Chicago as well as champion individual steers at the world's largest 4-H beef show, the Ak-Sar-Ben and 1st prize winners at many other shows. NONPAREIL BEAUTY 57th — Here is the dam of the great breeding bull, S F Whipper. She was purchased in the 1952 Chicago International Sale and has been an outstanding producer. She was 2nd in class at the 1952 Indiana Gold Medal Show and 4th in the open class, as well as a member of the 2nd prize Get of Sire. She is one of the choice daughters of Imp. Saltoun Bridegroom and has a top pedigree on her dam's side. Her half-brother was reserve champion at the Indiana State Fair, and she is well forward in calf now to Leveldale Achilles, the first son of the many times winner, Leveldale Pacemaker. The only reason this cow is for sale is because we wanted an attraction for Salina and because our herd is growing fast at home, and we need to make room for some younger heifers.
